

SAIZAR ENTERPRISE PVT. LTD.

An ISO 9001 : 2015 Certified &
Indian Bank's Association Approved Company

SAIZAR Enterprise Pvt. Ltd.

is recognized as one of India's foremost trailer fleet owners and transportation service providers. Originating from a partnership founded by the late Jal H. Indorewalla in 1956, the company adopted its present corporate identity in 1999, building upon a tradition of customer-centric values and a steadfast commitment to operational innovation. This evolution has enabled SAIZAR to continually refine its competencies, offering comprehensive transportation solutions for the bulk movement of goods nationwide.

Today, SAIZAR holds a prominent position in the road transportation sector, possessing specialized capabilities to design and execute customized logistics solutions for complex consignments, including over-dimensional cargo projects. The company's credibility is reinforced by its approvals from the Indian Bank's Association (IBA), ISO 9001:2015 certification, and distinction as a 5-star rated transporter in Tata Steel's Contractor Safety Management Program. The sustained advancement of SAIZAR is a direct result of the leadership and vision of its Chairman and Managing Director, Mr. Kersoo Jal Indorewalla, whose guidance has been pivotal in driving the company's growth and reputation within the industry.

Corporate Social Responsibility :

SAIZAR is deeply committed to fulfilling its Corporate Social Responsibility (CSR) obligations under Section 135 of the Companies Act, 2013. To effectively administer our growing initiatives, we established the "SAIZAR Care Foundation," a dedicated Section 8 Company, during FY 2024–25. Through the Foundation, we drive comprehensive social impact across several key areas:

- **Education & Child Welfare:** We sponsor the education of underprivileged and pandemic-affected students and operate Mentor-Mentee programs across Jamshedpur, Kalinganagar, and Angul. Furthering child welfare, we aid the Aadruta Children Home in Odisha and have adopted a girls' orphanage in Kalinganagar.
- **Health, Nutrition & Community:** We partner with Child Rights and You (CRY) in Jharkhand's Bodam Block to combat malnutrition and Anaemia. Our community efforts also include public space beautification and bi-annual Mega Health Check-Up Camps for the transport fraternity.
- **Sports Development:** Expanding our footprint for FY 2025-26, we are proudly supporting the Inspire Institute of Sport (IIS). This registered Trust trains athletes for excellence in major international events, including the Olympics, Asian Games, and World Championships. Our contribution directly backs the IIS Sports Scholarship Programme, providing high-potential elite athletes with 360° holistic development, encompassing technical coaching, sports science, meals, accommodation, and critical competition exposure.
